Tips for the dress uniform

Ironing

Hang up your uniform before and after you iron.

Question 1: what parts of the uniform do you iron?

Answer:

Tips for ironing

- Make sure the iron is clean before plugging in
- Make sure the iron is full of water before plugging in
- Make sure your uniform is clean
- Have a spray bottle to help with making creases

Tunic

Use the same or similar color thread to that of the patch (don't use bright colors such as hot pink). Make sure all patches are secured so no one else could walk up and pull off your patches (do not iron them on). Any loose threads shall be cut off the tunic. Your patches shall be placed on the tunic properly and there are the needed resources to do so on the website in the dress regs.

Question 2: what color thread should be used when sewing on patches?

Answer:

Parade boots

boots should be shiny. Please shine them with black shoe polish. Your boots should be shiny and allow for the best possible reflection. The edges of the sole of the boot that can be seen should be black and not gray.

Question 3: what do you iron?

Tips for the field training uniform

Preventing wrinkles

- Hang up the uniform
- Put them in the dryer for 30 minutes with a wet tea towel

Tunic

Check for loose threads and if there are any cut them off. Check all pockets before washing (don't wash with bleach). Make sure all pockets are closed when wearing the uniform.

Pants

Check for loose threads and if there are any cut them off. There are sand traps and make sure those are up. Blouse your boots(if you are having any issues there are resources on youtube and ask your seniors for help).

Boots

Boots are to be matte black and have no reflection. The outer soles of the boots are to be black and not gray.
